RETAIL MANAGEMENT

2009. Hardcover. Condition: New. 328 This Book presents the intricacies of retailing from both academic and practical points of view. New changing Business practices are actuating changes in the retail environment. Dearth of time and increase in incomes of public has created a need for new types of retail formats. This means retailers will have to have knowledge of knowing their customers and anticipating their needs. As the economic structure in India is changing so is the field of retailing...
